Dear Elsa

I am pleased to let you know that your application to fundraise has been approved and hereby provide you with authority to conduct your stated fundraising activity, in accordance with the Childhood Cancer Association (CCA) Fundraising Guidelines. Please note that all enquiries for support from CCA partners, Ambassadors etc. must be made through CCA – please do not contact our partners and Ambassadors directly.

The Childhood Cancer Association provides ongoing and practical hands-on support for children with cancer and their families.

We are South Australia's key childhood cancer support organisation, dedicated to providing emotional, practical and financial support to families in need, from diagnosis, through treatment and for as long as the support is needed.

The Childhood Cancer Association receives no government funding and relies on the generous support of the community and people like you who enable us to continue to provide these vital services.

Please feel free to contact me to assist with your event or fundraising requirements. If any aspects of your fundraising change from the information you have outlined in the Fundraising Application Form you will need to advise me.

I wish you all the best for successful fundraising.

Regards

Kathryn Bothe
